Hi Adam.

I will work with the records center to get them to burn a CD of the below documents. Did you have your FOIA request #? I know sometimes these things take a little time to work their way to me, but I haven't yet been assigned this FOIA. If you could send me your FOIA request # that would be great.

Thanks and see you tomorrow,

Elizabeth

Hi Adam.

If you could send me a little more information, I can begin working on that for you. First, can you narrow down which records you are intending to look at and how many people you'll be bringing with you? Also, how many day(s) do you think you'll need? This info will help our staff better prepare. As Harry knows, the documents in our files are very extensive, so we can't just pull them all out for you to review. Also, if you could pass along some dates that would work for you then I can work with our staff to see if they availability then.

Thanks,  
Elizabeth

Elizabeth:

I work with Harry Clayton at Gibbons. I was actually the individual who submitted the FOIA request to which you responded last week. I have reviewed the spreadsheet and Site File inventory list that you sent, and I thank you for your assistance. Can you please tell me when I can arrange to come in and review the relevant documents? We are hoping to do this as soon as possible, as the effects of Hurricane Sandy have caused many delays already. Please let me know if I can assist in expediting this matter in any way. I appreciate any information that you can provide. Thank you.
